RE: Certificate of RoHS Compliance

RoHS Directive 2011/65/EU Annex II [amended by Directive (EU) 2015/863]

Denkai America, Inc. hereby certifies that its Copper foil complies with the RoHS Directives and does not exceed the maximum concentration values for cadmium, lead, hexavalent chromium, mercury, polybrominated biphenyl (PBB), Polybrominated diphenyl ether (PBDE), DBP, BBP, DIBP, and DEHP.

Denkai America, Inc. employed the services of an independent laboratory to obtain certified material analysis, which confirmed the results of Denkai America, Inc.'s internal testing. Products tested were confirmed to be compliant with the EU RoHS 3 Directive. Test results are available upon request.

Should you have any additional questions or need assistance, please contact me directly.

Respectfully,

Michelle C. Sisk, CSP
